1. What resources do you already have that you can use to make creative content?

2. Who are the people in your life that you can create with? Give them a call!

3. What was your favorite part of this season of CGTV?

Call to Action: It's time to get started. Draft your plan of action for creating the content you've always dreamed of creating. It's pretty open-ended. Get your thoughts on paper and follow @classintercom for inspiration along the way!
